

**South Gloucestershire and Stroud College
Sports Academies Learner Code of Conduct
2016-17**

This **Sports Academies Learner Code of Conduct** sets out the College’s behaviour expectations for participation in any Sports Academies activities. It does not replace the College’s overarching **Learner Code of Conduct**; it applies in addition to this code. As a student at SGS, the College expects you to commit to the highest standards of behaviour whilst on College premises and offsite when representing the College, including when wearing Sports Academies clothing in public places. Failure to meet these behaviour standards will trigger the use of the College’s Enabling Positive Behaviour and Disciplinary Policy and Procedure.

Behaviour Expectations

We expect the following from you whilst on College premises and offsite when representing the College:

- Show self-discipline in terms of language and behaviour in all sporting activity
- Be courteous and respectful to the opposition, officials, your team mates, members of the public and coaching staff at all times
- Be punctual and ready to learn and take part
- Show commitment and reliability towards your team and your coach
- Communicate regularly with your tutor and coach
- Wear the correct kit and footwear at all times in line with your academy dress code
- Inform your coach directly, and not via another student or player, if you are unable to train or compete for any reason
- Obtain permission from your academy coach if you wish to represent any other team outside of the academy
- Adhere to the personal fitness plan given to you by your coach
- Maintain an attendance record of at least 95% at academy training sessions
- Maintain attendance at academic lessons above 90%.

You must not:

- You must not under any circumstances take part or be party to any initiation ceremonies of any kind or take part in any similar behaviour whatsoever
- Take part in any illegal activity
- Behave in any way which adversely affects the reputation of the College.

I understand and agree to the Sports Academies Learner Code of Conduct outlined above. I understand that failure to adhere to this code of conduct may invoke the Enabling Positive Behaviour and Disciplinary Policy and Procedure.
